

Hello!

Dear Parents/Carers,

I hope this newsletter finds you all well and you had a lovely half term break and enjoyed the lovely weather !

Please read this newsletter with key dates and information to share for this term.

Catholic School pupil profile

Attentive and Discerning

Pupils are growing to be **attentive** to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

What does this mean?

Catholic schools help their pupils grow by promoting the practice of **attentive** reflection and **discerning** decision making: in teaching, prayer and retreats; and through the practice and example of school leaders and staff.

Pope's Prayer Intentions

June: For the values of sports

Let us pray that sports be an instrument of peace, encounter and dialogue among cultures and nations, and that they promote values such as respect, solidarity, and personal growth.

July: For respect for human life

Let us pray for the respect and protection of human life in all its stages, recognising it as a gift from God.

Birthdays

Through our Catholic Social Teaching we reflect on the unique human person, one way we would like to celebrate every child is to invite them to come into school in their own clothes on their birthday. Your child is welcome to have the company of our 'birthday bear' for the day & will receive a birthday pencil.

Sacrament of First Holy Communion

On Sunday 7th June @ 9:30am Mass at St Philip Neri Church 10 of our pupils from year 3 and 4 classes will be receiving the Sacrament of the Eucharist. You are all welcome to join us at the church to witness our children receiving the beautiful Sacrament of Eucharist. For parents whose children are receiving the sacrament, please look out for a letter with final arrangements for Sunday 7th June.

Communications

To communicate and share key information with you, we use ARBOR, DOJOS & email/X and our school website. Please ensure that you have signed up and are receiving the most up to date information about school and your children. If you are concerned you are not receiving any information, please call our school office - 0121 558 1643.

Contact Details

It is very important that school has the most up to date contact details of your telephone numbers. **If you have changed your contact details**, please pop into the office and let the school know. We want to ensure that we can contact you directly in the case of an emergency or if your child falls ill or has an injury at school during the school day.

Medical Needs

Please let us know if your child's medical needs have changed. It is very important that you contact school and let us know or pop in so we can support your child's medical needs to ensure your child is safe.

We would like to remind all families that our school is a **nut-free environment**. This means that **no nuts or nut products** should be brought into school in any form, including in packed lunches, snacks, or baked goods, for example- **Nut spreads - peanut butter, almond butter, cashew butter, Nutella or Cereal bars** - many contain nuts or are processed in facilities with nuts.

Please note! that in our school we have staff and children who have nut allergies or other allergies that can be a threat to life. Please support us with keeping our school environment safe. Thank you.

Healthy Playtime Snacks and healthy lunchboxes

We ask you to only send healthy snacks for playtimes and lunchtimes. For playtime a piece of fruit is ideal and school provides this! A biscuit, very small chocolate bar or small bag of low fat content crisps is also acceptable. ***Big bags of crisps, high sugar snacks or big chocolate bars are not healthy snacks and are not suitable for playtimes. We don't want to 'ban' any foods in moderation but we do need to ask you to keep a close eye on playtime snacks and help us to make sure all snacks are as healthy as possible.***

Similarly at lunchtimes, please can we ask you to ensure lunchboxes don't contain big bags of crisps, big chocolate bars or any other high fat or high sugar products. A small bag of lower fat crisps, a biscuit or a very small chocolate are acceptable - but please try to keep high fat or high sugar foods to healthy levels.

We want the children to be able to enjoy a balanced diet and we feel that 'banning' any foods is at odds with making healthy choices. We would much rather help the children understand how to enjoy 'everything in moderation' and encourage them to make healthy choices wherever possible, enjoying treats in moderation. Thank you for supporting us.

Water bottles

We would request that your child brings a filled water bottle into school daily. We want to ensure that your child is hydrated in school throughout the day. However, we do ask and request that children choose water instead of cordial. We also request that children do not wander around school drinking their water bottles and would wish for the water bottles to be stored in their class box.

Please be assured that your child has access to a drink at any point in the day on their request. But, to avoid accidents, unnecessary spillages, or damaged/lost water bottles, we are reminding our children to place their water bottles to the allocated area for their class. Thank you for your support with this matter.

AIP Catering

Free School Meals and KS1 Universal Free School Meals children - If your child is a Free School Meal child or is in **EYFS or KS1** they are entitled to a free school lunch which would be a hot meal from the school canteen.

If you would rather send your child in with their own packed lunch you are welcome to do so **(please remember no nuts (including Nutella), tomatoes or oranges as we have children with severe allergies in school)**. Please book online on **SCHOOL FOOD UNITED TO BOOK YOUR CHILD'S PREFERRED LUNCH OPTION**. If you are having trouble logging in or creating your School Food United account, please come and see Mrs Slater in the School Office.

We would like to remind you! That if your child is in Year 3 now and in key stage 2 classes & **YOU ARE NOT** able to access Free School Meals, then you must **PAY** for your child's meals. We are here to help, so please let us know. If you pay for school meals please clear your balance daily/weekly and this can be done on the app on School Food United and also by cash at the school office.

School Uniform

Thank you Parent's for your support with our school uniform policy at St Philip's Catholic Primary School. A gentle reminder! please **WRITE YOUR CHILD'S NAME** on their items of clothing e.g. coats, jumpers or cardigans.

Polite reminder — Hairstyles

Thank you for continuing to support our policy on appropriate hairstyles for school. Just a reminder that during term time there should be no hair sculptures or tram lines, shaving, highlights or hair colouring of any description. Extreme hairstyles should only be considered at the beginning of the summer holiday. Please continue to support us this term. Thank you.

Jewellery

Please take care not to send your children into school with looped earrings, necklaces or expensive pieces of jewellery. It is important to note that jewellery can be broken or lost in school and not suitable for play or PE activities.

Reading at home

Reading is a key life skill and through our Read Write Inc Reading Scheme we support children with skills that support children to read with confidence, enjoyment and have a love for reading. We really want to share with you how important it is to read with your child at home. Your child is given a discussion book or reading book with a reading diary that goes home daily.

We encourage parents to comment in the reading diary when your child is heard read at home as this helps us with tracking the progress. A big thank you to the parents who joined in our parent workshop!

We really appreciate your parent feedback and have taken into consideration your comments to promote better relationships with our parents.

Safeguarding

We are dedicated to safeguarding our young people at St Philip's Catholic Primary School. If you have any concerns with safeguarding, then please speak with a member of staff or myself and we will endeavour to help and support.

Could I please request that if your child has an injury that has happened at home or outside of school could you please be so kind to let us know. Telling us would avoid myself from contacting you unnecessarily.

If you do have a concern or would like to talk to someone in confidence about a safeguarding concern, then I am the Designated Safeguarding leader (DSL) in school. Deputy Designated Safeguarding Officer is **Mrs Anslow** and Safeguarding Officers are **Mr Padaton & Miss Reaney**. Our safeguarding policy is available on our website to help and support you with how safeguarding works in our local authority of Sandwell and the Multi academy Company of the Emmaus MAC.

Attendance

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Please ensure that you endeavour to get your child to school and in on time for **8:45 am**. The playground opens at **8:35am and the official start to the school day is 8:45am.**

1. If your child arrives to school after the registers close, they will receive a late mark that is recorded on your child's attendance record.
2. If your child is ill and is unable to come to school, you must call school on the first day of their absence (and any further days) to inform the school office of the reason for the absence. Any medical appointments that are unavoidably in school hours must show proof of appointment to the school office. The school office number is 0121 558 1643.
3. On the third consecutive day of any absence, school will carry out a welfare check via telephone or a home visit.
4. If your child's attendance drops and is concerning then you will be invited to a meeting with school staff such as the Learning Mentor, Attendance Officer/Vice Principal to offer support with improving your child's attendance.

Please also remember that taking holidays in term time will affect your child's schooling and we ask for your co-operation to not take your child away in school time as this will be UNAUTHORISED and can result in a fine from the LOCAL AUTHORITY.
